

MEMBERSHIP BENEFITS OF THE MIDDLE TENNESSEE FLY FISHERS

- **Monthly Meetings** with programs directed to fly fishing, fly tying techniques, and experiences from seasoned veterans to help every member become a better angler.
- **National Affiliation** (since 1979) with the Federation of Fly Fishers. Nearly 300 member clubs join together to promote fly fishing and clean water internationally.
- **Classes** are offered throughout the year for both beginners and experienced anglers in fly fishing and fly tying.
- **Monthly Outings** to some of the South's most beautiful and productive waters. The outings offer many excellent opportunities to fish and learn from fellow members. All outings are for the entire family and guests.
- **Annual Banquet** with fine dining and tests of skill for top name fly fishing equipment.
- **Conservation Projects** planned with state agencies to protect and clean up our streams and rivers for future generations of fly fishers. Donations are accepted for the conservation projects.
- **Club Library** (for members) consists of books and videos on all phases of fly fishing and fly tying. The library is periodically updated with new resources.
